WEEK 8 TERM 2

11th June 2021

Principal Message

Dear Parents and Caregivers

Well I heard the weather held off for Friday's Athletics Carnival. I was sad to miss the carnival as I had commitments in Griffith. From all accounts it was a great carnival with plenty of good sportsmanship. Thank you to Mr Kendall for coordinating the day. If you have any feedback on how we can improve please don't hesitate to contact us at the school.

During Week 7, Year 11 participated in their Study Days in Condobolin and really made us proud with their attitude and participation in all activities across the week. These days are so important for students to be connected to their peers, as well as their Coordinating Teachers for each of their subjects. After a big week in Condobolin, many of our Year 11 students started work placement. I'd like to thank all the businesses who were able to host our students this week. It is an important experience for them.

During Week 8 I had the opportunity to attend Blue Haven Public School's Open Day with Mrs Thompson and Mrs Cooper to

gain further insight on how their school is implementing key educational thinking to boost student outcomes. We have certainly come back with many inspiring ideas. Today I will be attending the Primary Principals Association Meeting in Griffith. Although I enjoy learning new ways to further improve our great school, I still thoroughly miss being in our classrooms. Next week I will be attending the Secondary Principal's Council Annual Conference from Tuesday-Thursday and Mrs O'Neill will be relieving principal.

Have a restful long weekend and a shortened week of learning.

Yours in Education,
Mr Allan Johnston

School Photos

We have been contacted by Academy Photography regarding school photos. While completing their quality control processes, they were not completely satisfied with the overall quality of the final products, therefore asked their production team to complete additional checking prior to printing. Unfortunately, this has led to a delay. They apologise and ensure we will receive the highest quality photos for the school and parent community.

Lower Lachlan Cross Country 2021

On Wednesday 26th May, 28 students travelled to Ungarie to compete in the Lower Lachlan Cross Country event. All students competed extremely well on a very wet and sloshy track. The students' awesome efforts were rewarded with 16 students qualifying for Western Region Trials. These amazing results also won the school the Overall Cross Country Champion trophy. Lake Cargelligo Central school has not won this trophy for many years.

Congratulations to all students for displaying our school values of Respect and Responsibility while at the carnival.

A massive thankyou to all the parents who transported students.

Mortimer Shield

Last Tuesday, our boys Mortimer Shield team travelled to Griffith to participate in a Rugby League gala day. We all had a great day! All team members displayed commitment, dedication and sportsmanship on and off the field.

We played Yenda first defeating them 24-0. It was an exciting game, with lots of quick runs, precise passing and talking on the field! Next we played Darlington Point and defeated them 24-4. This was a quick game, played with skill and true grit. We then went on to play St Pats Griffith in the final. We were defeated 26-0. All team members played well, tackling and defending non stop. A massive thank you to Coach Minya for his wise words, support and effort. We were very lucky to have many parents travel on the day, a massive thank you to them as well. Congratulations to Nate Richards, named player of the day.

Come and Try Athletics

On Tuesday, Coden travelled to Dubbo to participate in the Come and Try Athletics day. He was super excited about the day. He couldn't wait to participate and showcase his ability on the track and in the field events. He placed 2nd in 50m, 4th in 100m and 3rd in 200m.

Congratulations, Coden!

HSC Industrial Technology

Jack Little is nearing the final stages of his major design project. He has faced many technical challenges along the way but his project is looking good.

Stage 5 Timber

The students have reached the finishing stages of their Japanese inspired stool project. Most have used the laser engraver to add decorative features to their projects.

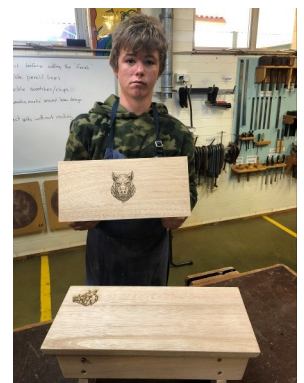

Year 11 Industrial Technology

Year 11 are in the midst of constructing their 'Mini Projects'. The metal workers are making fire pits and the woodworkers are making either a stool or a bedside cabinet.

Year 7 Mandatory Technology

This class is learning basic wood working skills through the production of some wooden kitchen utensils. They have used the pedestal drill and disc sander to create functional and attractive accessories for the kitchen.

Year 11 Work Placement

Over the past week Hospitality and Primary Industries students have been participating in their mandatory work placement. From all reports, all students are enjoying themselves and learning a great deal. We would like to thank all the businesses involved this year. These students would not be able to participate in this program without your ongoing support.

Anti-Racism Contact Officer (ARCO)

Information for parents and carers

The NSW Department of Education rejects all forms of racism and is committed to the elimination of racial discrimination.

The Department's Anti-Racism Policy requires each school to have an Anti-Racism Contact Officer (ARCO).

The ARCO is an experienced teacher nominated by the principal. The ARCO is trained to assist students, teachers, parents and community members who have concerns relating to racism in the school or complaints about incidents of racism.

The ARCO can assist by providing:

1. advice on the procedure to resolve concerns or complaints about racism
2. support during the process to reach a resolution.

If at any time you find that you have a concern about our school, you are encouraged to come to the school and tell a member of staff so that your concern can be resolved. With your support, we do the very best we can to ensure productive, safe and enjoyable learning experiences for all our students.

Should you feel that you must raise a concern formally, the NSW Department of Education has procedures in place for ensuring that complaints are handled fairly. Information about how to lodge a complaint is available in the school office or in the case of complaints relating to racism you can contact the school Anti-Racism Contact Officer (ARCO) who is Mr Andrew Carter. Further information is also available in the Department's Complaints Handling Policy procedures.
